Future Stars Golf League is a great way to get juniors involved in the game of golf. The purpose of the league is to have fun, learn the fundamentals of the golf swing, and understand/appreciate/practice proper etiquette. Though golf can be a competitive sport, we emphasize having a supportive and encouraging atmosphere!

The first 5 weeks will be group lessons on Wednesdays. The junior golfers will meet the coaches & other players in their age bracket. They will be taught the fundamentals of putting, chipping, and full shots.

The rest of the season consists of on-course league play with other players in the same age bracket.

Spectator carts will be available for \$7
